

## OFS AMINO POWER

Natural source of liquid nitrogen for use in all agricultural crops. Can be used as a foliar spray and via irrigation to supplement nitrogen in organic and conventional farming situations.

## DIRECTIONS FOR USE

**OFS Amino Power** is used in a wide variety of agricultural enterprises to provide nitrogen to crops and pastures. It is suitable for use as a foliar spray and via irrigation to supplement soil nitrogen. When mixing, fill spray tank half full with water and add the required amount of **OFS Amino Power** while continuing to fill tank with water. Also add **OFS Fish Emulsion** as spray oil or surfactant just before tank is full of water. Continue agitation through the spray operation. (JAR TESTS are always recommended for tank mix compatibility).

**Re seal bag after use.**

## APPLICATION RATES

### **Horticultural Crops:**

Dilute at 1 : 200 with water  
Foliar spray: 2-5L/ha; repeat as required.  
Irrigation: 5-10L/ha; repeat as required.

### **Broad-acre Crops and Pastures:**

Dilute at 1 : 200 with water  
Foliar spray: 2-5L/ha every 1-4 weeks; repeat as required.

Each farmer's situation and processes and practices may differ and therefore necessitate corrections to ensure optimum results. Rates adjusted according to production levels. Repeat as required.

Always test for compatibility and crop suitability prior to use. Seek advice for rates suited to your crop.

# AMINO POWER

Soluble Amino Acid Powder  
for use via Irrigation or as a  
Foliar Spray

Contains: 80% amino acid  
(13%N)

# 25kg

## TYPICAL ANALYSIS

Nitrogen 13%  
as amino acid (80%)

## PRECAUTIONS

To avoid damage to crops:

- Physically compatible with a wide range of commonly used products. Always mix a small quantity (jar test) and check for physical compatibility before combining with other ingredients.
- When applying for the first time, or in combination with other products, a small test area should be sprayed and observed prior to the total spray.
- Do not swallow. The spray from this product may act as an irritant. Avoid inhalation and contact with eyes and skin.
- Wear protective clothing, safety glasses and gloves when using this product.

## STORAGE

Store in original container away from direct sunlight and moisture.

## DISCLAIMER

Organic Farming Systems has no control over farming methods, application of the product, irrigation systems, weather or growing conditions. Consequently no responsibility or liability for any failure in performance, losses, damages or injuries will be accepted by Organic Farming Systems, its distributors or agents following the use of this product. Seek independent advice prior to use.
