

CITRAN 3

HAND SANITISER

Ready-to-use foaming
hand sanitiser.

- **Designed for picking, packing and processing of fresh produce**
- **Use with or without water**
 - **Non-greasy formula**
- **Effective, organic & non-toxic**
 - **Contains Aloe vera**

Sample

Active ingredients: Bitter orange extract, octanoic acid

DIRECTIONS FOR USE

Simply apply 1-2 pumps of **Citran 3** onto palms of hands. Simply rub in lightly, particularly around nails and between fingers.

Allow hands to air-dry by evaporation. This will normally take less than 30 seconds.

Does not require rinsing.

Initially the hands may feel sticky, however this stickiness will go as evaporation occurs. If you use more than the recommended dose the drying time may take a little longer.

After drying **Citran 3** will not become slippery if water comes into contact with hands. It is safe to use in areas where moisture occurs.

STORAGE

Keep out of reach of children and avoid contact with eyes.
