

FERTILISER - SOLID

# New Era Better Grow

ECONOMICAL PELLETISED FERTILISER

- All purpose fertiliser based on composted poultry manure.
- Ideal cost-effective pre-plant to provide nutrients and essential soil organic matter.
- Apply 200kg - 2 t/ha (20 - 200g/sq.m)

## NEW ERA BETTER GROW

New Era Better Grow is a high quality, pelletised organic fertiliser based on composted poultry manure. It provides a microbe friendly source of nitrogen, phosphorus and potassium for improved soil and plant health.

The major difference between organic/sustainable fertilisers and synthetic fertilisers is the effect on beneficial soil biology and the solubility of the fertiliser.
